

Boat Mechanic - Enjoy More Long Weekends - Work a 4 day 40 hour week with Bluewater

Join a growing company with a passion for helping boaters enjoy the water.

We are a boat service company specializing in recreational boats and yachts of all sizes. Bluewater is currently seeking an experienced Boat Repair Mechanic to join one of our three locations in Vancouver (Granville Island), Richmond (Shelter Island) and North Vancouver (Lions Gate) with a minimum of 5 years of experience in the following areas:

- Diesel/gasoline engines (inboard and outboard) and generators
- Strong diagnostic and repair skills and be passionate about high-quality work.
- Service, maintenance, and repair of a diverse range of boat engines, running gear, and onboard yacht systems - on-site and in the field.
- Marine running gear
- Research and problem solving skills
- Self-motivated, flexible and willing to research and learn new equipment
- Ability to work in a fast-paced environment
- Enjoy being part of a successful team
- Excellent communications and customer service skills
- Safe driving record

Experience working with HVAC, hydraulic, electrical, boat hull and plumbing systems is considered an asset.

Keys to success with Bluewater are:

- A desire for a long-term career
- Solid work ethic
- Professional attitude
- Ability to complete tasks in a safe and timely manner
- Willingness to work in a team environment and;
- Valid BC driver's license and clean driving history.

Bluewater offers competitive compensation including wages based on experience and a health plan. From Sept to February, Bluewater offers a 4 day, 40 hour work schedule for qualified experienced mechanics.

If interested, please reply with resume. Only those being considered for an interview will be contacted.
